

## **2019 Competitive Team Info**

Thank you to all our current team member families for a great 2019-2020 season! Without your dedication, we wouldn't have been able to end the season with US Finals and Summit. We look forward to working with you and your athlete for years to come!

If you are interested in joining PowerCore, we welcome you to stop in for a tour of our world class facility and partake in our free new member meeting. If you are unable to attend the meeting, just stop in anytime!

We are excited to offer Elite, Club and Novice teams this season. Novice/Club is a great way for athletes to participate in our sport with less time commitment and travel. With our Elite programs, your athlete will compete at the highest level of national competition. We will have a spot on a team for all ages and skill levels offered by USASF.

## **New Member Informational Meeting**

5-8	11am-12pm
9-11	12pm-1pm
12-18	1pm-2pm

## **Team Placement Process**

There is no cost involved with team placements. Please pre-register online at [allaboutkids.cc](http://allaboutkids.cc). Follow the link to our parent portal and enroll in PowerCore Team Placements. Current members do not need to attend team placements.

During your athlete's designated time they will be evaluated on the following skills: standing and running tumbling, jumps, motions, cheer IQ, and stunting. Please keep in mind that tumbling is not the only factor for placement on a team. There are many areas an athlete can excel such as basing, dancing, choreography and more. We will have a team for all athletes and this will NOT be a stressful process!

We encourage any family that has questions to reach out to the contacts below:
