

Are you ready to swim like a fish, jump like a frog, leap like a lizard, bounce like a bunny, and flip until you flop? Come experience Camp-A-Bunga! Our caring staff will nurture your child all day at camp!

### Age Groups

Our camp is for children ages 4 & up. Kids will be split into groups depending upon age and enrollment. If you have a special request to allow for siblings or friends to be together, please let us know.

#### Note for 4 & 5 year olds:

We provide a rest/quiet time period so that your camper can recharge for afternoon classes and activities. Please feel free to pack their favorite book to read at this time. Although numerous restroom breaks are offered, we strongly encourage that your child bring a complete change of clothing. Young campers must be fully potty trained and be able to change in and out of wet/dry clothing without assistance. Please refer to the weekly schedule to know when they will need a swimsuit and towel.

### What to Bring

- Play clothes and tennis shoes
- Bag big enough to hold all items
- Lunch, snack and a water bottle
- Swim suit and towel (check weekly schedule, ages 6+ every day)
- A favorite book or “quiet time” item

It is strongly recommended to label everything you send with your child’s first and last name. Please remember to feed your camper breakfast so that they have lots of energy for

all the activities planned for that day! We play outside each day the weather permits, so please have your child dressed in appropriate footwear and jackets if needed.

### Early Drop-Off / Late Pick-Up

Camp hours are 9:00am-5:00pm daily. We offer early drop-off and late pick-up to meet your scheduling needs. Early drop-off is between 8:00am and 8:59am. Late pick-up allows for pick up between 5:00pm and 6:00pm. There is a charge of \$7 per child per day for early drop-off and \$7 per child per day for late pick-up. Campers are not allowed in the building prior to 8:00am. Any camper not picked up by 6:00pm will be charged \$1 per minute after 6:00pm.

### PIN

When you drop off your child, you will be prompted to verify the 4-digit PIN you gave at registration. You will use this PIN to pick up your child. Whoever picks up your child must have the valid PIN.

### Medications/Allergies

If your child requires medication throughout the day, please bring in a completed medication form that can be printed from our website on your child's first day of camp. Any medications must be labeled with your child's first and last name. Medications will be locked in the med box in the office and administered by a camp counselor or office staff. If your child has allergies, you must let a camp counselor know upon check-in. In this case, your child will be given a neon-colored nametag labeled with any food allergies we should be aware of.

### Health Precautions

Please do not send your child to camp if they show any symptoms of illness. In order to keep everyone healthy, we are cleaning and sanitizing throughout the day. If you would like to have your child wear a mask, please let us know as masks are not required at this time. If a child is suspected to be ill, we will notify the parent for pick up asap.

### Drop Off

Campers enrolled in early drop off can be dropped off any time between 8:00am and 8:59am. They will need to be walked into the building and checked in at the table in the lobby. The check in period for all other campers is 9:00am-9:30am. You must use the carpool lane for drop off. Be prepared with their PIN and any medication information the staff may need to know.

Campers will put all of their belongings in a cubby. Please make sure that everything is labeled with their name. Because these cubbies are not monitored closely for the entirety of camp, we recommend that you do not send your camper with anything of important sentimental value. All About Kids is not responsible for any items that are lost, misplaced, or mixed up with another camper's belongings.

For campers that are dropped off after 9:30am, you will need to come in to the front desk to check in. Please be prepared with their PIN and any pertinent medication information. If campers are getting dropped off after their lunch period has already happened, please ensure that you feed your camper before they come! We will not designate a separate time for just your camper to eat lunch.

### Pick Up

Any Camper being picked up before 4:15pm, will need to call our office, and someone will bring your Camper to you. Campers picked up between 4:15pm and 5pm must utilize the carpool line. If your camper is not picked up by 5:00pm, you will be charged the \$7.00 late pick up fee.

For any campers that are enrolled in late pick up and have not been picked up by 6:00pm, accounts will be charged \$1.00/minute. If you are going to be late for any reason, we appreciate a call-in advance to the office letting us know!
